Women are not born with perfect posture, poise, etiquette and style. Women still attend finishing schools or hire image consultants to learn these skills. And these can cost tens of thousands of dollars. Now, women can have access to experts from the privacy of their own homes for \$99 with UdefineU's "Foundations of Grace and Elegance" video series. This ultimate self-help program consists of four videos/DVDs and reference guides, which teach posture & poise, voice & speech, etiquette and style. This program can permanently change a woman's self-esteem, self-confidence and presentation. If you are a business executive, a college graduate looking for your first job, or involved in pageants, UdefineU teaches women of all ages the traits that are necessary to succeed in today's world. For more information about the program [www.undefineu.com](http://www.undefineu.com) or call 877-DEFINEU.
